April 25, 2013,

Cobblestone Hotels broke ground on the future Cobblestone Hotel and Suites and One Box Convention Center and brought their presence in

Nebraska to five hotels. “We could not be happier about our growth in Nebraska” say Brian Wogernese, President of Cobblestone Hotels, LLC. “Broken Bow and the surrounding areas are excited for this new addition to their community and Cobblestone Hotels is proud to have them as a part of their family”. The Cobblestone Hotel and Suites and the One Box Convention Center is expected to open in 2013. “The goal when we formed the group was to create a group that is community oriented and has a variety of experiences and expertise that will benefit both our investment and community.” says Craig Safranek, Chair of the investment group for the project. “Custer County is filled with more great people who would have been great teammates for our group, but when these 9 groups stepped up to the plate in the aggressive way that they did, we had our group established and moved forward with Cobblestone. Our vision as a group was to provide a family friendly hotel and convention center for the Custer County region that will serve as a hub for family, business, and community events.”

The Cobblestone Hotel and Suites will feature 36 guest rooms, including whirlpool suites, with amenities such as microwaves and refrigerators, coffee service, free high speed internet, and flat panel televisions in each room. The Cobblestone Hotel and Suites will also feature an on-site beer and wine bar, meeting room, indoor pool and whirlpool, exercise equipment, guest laundry facility, convenience store and feature the One Box Convention Center. A complimentary hot breakfast bar and weekday newspaper will be available daily to guests of the Cobblestone Hotel and Suites as well.
