**August 7, 2013 –NEENAH, WISCONSIN**

– Cobblestone Hotels, one of the fastest growing hotel brands, celebrated the opening of its latest Cobblestone property today. Located in Wray, Colorado, the new Cobblestone Inn and Suites is the second hotel to open in Colorado. “The Cobblestone Inn and Suites in Wray is a beautiful example of our versatility”, says Brian Wogernese, President of Cobblestone Hotels. “Wray has a slightly different feel when it comes to the layout of the property,

Brand consistency is very important and we can stay true to it while accommodating each community’s specific needs.” Cobblestone Hotels, LLC currently has six projects under development in Colorado and five properties under construction in the United States. “With many hotels in development in Colorado we look forward to extreme growth and have been welcomed into the state with open arms” says Tim Shefchik, Vice President of Development with BriMark Builders, the developer on this project.

Located at 35952 Hwy 385 in Wray, Colorado, the new Cobblestone Inn and Suites enjoys easy access to everything that the community has to offer. The hotel has 35 rooms.
