**June 15, 2018** – NEENAH, WISCONSIN – Today marks the opening of the newest Cobblestone location in Wisconsin, in Hartford.

The Cobblestone Hotel and Suites is located downtown at 101 Park Avenue. The hotel was built by BriMark Builders, LLC and is operated by WHG Companies, LLC.

The new hotel proudly serves a complimentary hot breakfast each morning, as well as offers a board room, onsite convenience store, indoor pool, onsite restaurant and bar ([Wisconsin Chophouse](#)), and more, to accommodate any travelers' needs that may arise. The Cobblestone Hotel & Suites also features 60 guestrooms that include studio and extended stay suites, along with convenient amenities such as microwaves and refrigerators, flat panel televisions, electronic-friendly features, and more!

"I think Hartford's downtown business life is very strong, but Hartford understood that because of their lack of hotel rooms a lot of people were coming to Hartford for their business activities, but they were going elsewhere to stay," Griesbach said. "We're hoping that by building this facility, we will keep the people in the downtown area because of its convenience to all that Hartford has to offer."

The downtown location is in close proximity to everything Hartford and surrounding areas have to offer including: Holy Hill, Slinger Raceway, and more.

The opening of this location marks Wisconsin's 18<sup>th</sup> open location, with three more under construction in Neenah/Appleton, Ashland, and Janesville.

The hotel will feature the brand's consistent amenities such as onsite convenience store, 24-hour Wolfgang Puck coffee service, complimentary high-speed internet access, newspapers, an onsite guest laundry, fitness equipment, and a hot breakfast each morning. Guestrooms incorporate flat-screen TVs, microwaves, refrigerators, hairdryers, iron and ironing boards, available suites, and Wolfgang Puck Coffee.

Whether you are traveling for business or for leisure, you will experience the big city quality, and small town values that each location has to offer. Visit [www.CobblestoneHotels.com](http://www.CobblestoneHotels.com) for reservations or for more information.
