## COBBLESTONE HOTELS, LLC® BREAKS GROUND IN HUTCHINSON, MN

**October 26, 2017** – NEENAH, WISCONSIN – Cobblestone Hotels, LLC® broke ground today for the Cobblestone Hotel & Suites ® in Hutchinson, Minnesota.

"I think that it's fitting today that we can see the hill where the Hutchinson brothers stayed their very first night in Hutchinson." Said Mary Hodson, President of the Chamber of Commerce. "They wanted this community to be welcoming and progressive, they wanted it to be a home for hospitality for people who needed a place, so today we welcome Cobblestone; we are excited to have you all here."

The ground breaking of the Cobblestone Hotel & Suites in Hutchinson will be the newest and third addition to the state of Minnesota. This location will be joining Faribault and Crookston, Minnesota.

"I remember dreaming as a kid of the things I was going to do as an adult, I don't think we could've dreamed of anything better than this today." Said Brian Forcier, member of Titanium Partners and Hutchinson native. "We are really excited about this hotel, we traveled to Hutchinson a mere three years ago, and sometimes these things take some time to put together, and three years later we are here. It took a lot of dedication and work."

The new hotel will be located at 416 Prospect Street NE, close to all that Hutchinson has to offer. Each guestroom will feature microwaves and refrigerators, hairdryers, iron and ironing boards, and Wi-Fi. Complementing the guestrooms are other amenities such as a hot breakfast each morning, indoor pool, onsite convenience store, and onsite lounge.

"We are 80 open with seven under construction, not including this one, with another five that are close to breaking ground." Said Brian Wogernese, President & CEO of Cobblestone Hotels. "We have probably added 35-40 hotels since we started this project three years ago. I want to thank Brian, Monique, and the city for doing this. It did take some time, but they kept working at it, and we are so happy to be here."
