June 15, 2013 –

NEENAH, WISCONSIN

– Cobblestone Hotels, the fastest growing hotel brand, celebrated the opening of the Cobblestone Inn and Suites of Holyoke. Located in Holyoke, Colorado, the new Cobblestone Inn and Suites is the first hotel to

open in the state of Colorado with more to come. “Cobblestone Hotels is extremely excited to open it’s first property in Colorado”, says Brian Wogernese, President of Cobblestone Hotels. “When we have the opportunity to work with, and provide upper-midscale lodging to small communities like Holyoke, we are filling a need. Markets like Holyoke need accommodations and Cobblestone Hotels is one of the few hotel brands that provide it at the right size and cost.” Cobblestone Hotels, LLC currently has six projects similar to Holyoke under development in Colorado, as well as one under construction in Wray, Colorado. “Developing this project and other projects like Holyoke, in Colorado, is great for the community” says Tim Shefchik, with BriMark Builders, the hotel developer on the project. “We have a strong pipeline in the state of Colorado and only see that pipeline expanding.”

Located at 805 S. Interocean Ave. in Holyoke, Colorado, the new Cobblestone Inn and Suites enjoys easy access to everything that the community has to offer. The hotel has 38 rooms including extended stay suites. Amenities in each room include a 40-inch flat-panel TV, DVD player, microwave, refrigerator, coffee service, upgraded bedding and free high-speed internet. Guests of the hotel will also enjoy an on-site lounge (Cobblestone Lounge), hot breakfast buffet, weekday newspaper, guest laundry, on-site fitness room, and on-site convenience store.
